Relaunch of the RPIC Mentorship Program

The RPIC team is working on the relaunching of the RPIC Mentorship Program in 2024.

The RPIC Mentorship Program connects knowledgeable real property professionals with mentees wishing to learn our industry's best practices. Mentors will pass down their knowledge to the mentees and encourage them to develop personally and professionally. Mentorship is a trifecta of positive impacts. It's a win for the mentors, mentees, and the industry.

Opportunities will be available to participate as either a mentor or a mentee! Stay tuned for more details and the launch of applications to be a part of the new cohort. [Learn more here.](#)

Opportunities for Annual Partnerships

RPIC is in the process of establishing annual partnerships for 2024. If your organization is interested in partnering with us, please contact partnerships@rpic-ibic.ca to schedule a discussion. We look forward to hearing from you and working together.
