## **Greetings Real Property Community,**

As we approach the end of 2024, I would like to recognize the contributions that the real property community has made in support of service to Canadians. I would also like to thank those of you who have shared your time with RPIC as a volunteer, as a speaker, or as a panelist, sharing your expertise, best practices and lessons learned. This is truly the spirit of community professional development.

Looking ahead into 2025, RPIC will continue to offer learning opportunities where we showcase the excellence in real property – your hard work, in your community, for Canadians.

In the interim, on behalf of RPIC, I would like to thank you for your continued engagement with RPIC. It has been a privilege to support your professional development in 2024. We look forward to seeing you in 2025.

Wishing you the very best of the holiday season.

Best Regards,

**Jérémie Emond**
